"Ghost Tree" Riverbox / Dublin Spring

(There is NO PUBLIC PARKING on South Riverview. Please park in a public lot or along S. High Street in Historic Dublin and walk down Spring Hill Rd. toward the park at the river's edge).

- Approach the majestic bridge and follow the winding stairs down, under, around and through the limestone structures, both natural and man-made.
- Turn left toward the river, after viewing Dublin Spring on the right.
- Follow path to the right along the river's edge, across the stepping stones and around the loop.
- If there's a breeze, listen for a tinkling sound and look for white leaves, dangling from above.
- Find *Ghost Tree Riverbox* in a tree with three trunks.

Once you discover ***Ghost Tree Riverbox***, please tell us about it by sharing your experience in the DAC *Riverboxes* Guest Book, www.dublinarts.org/ripple/guestbook.html.

Happy Riverboxing!
