- Enter the fisherman's path on the right, marked by an orange *Hidden Treasure* flower.
- Continue about 15 paces and turn left at the tree stump.
- Look for flowers in the ground at 4 to 5 paces.
- Continue down the bank toward the river, watching for a big rock landmark.
- Veer left and continue downward at the rock.
- Look to your left for a limestone fence line and a sparkling marker hanging from above.
- Go toward the wall.
- With a stump to your left, discover *Hidden Treasure Riverbox* at the base of the fence line.
