"Vigilant Vegetation" Riverbox / Kiwanis Park

- Enter the park and continue down and around the curvy path.
- Take note as you pass over the first short bridge.
- Continue across a second, long bridge and follow the path to the right at bridge's end.
- Just before the third bridge, follow the fisherman's path toward the water.
- If you're inclined to rest your weary bones, you'll find *Vigilant Vegetation* keeping watch over the river.

Once you discover ***Vigilant Vegetation Riverbox***, please tell us about it by sharing your experience in the DAC *Riverboxes* Guest Book, www.dublinarts.org/ripple/guestbook.html.

Happy Riverboxing!
